# Town of Bellefonte , Delaware Town Meeting Minutes November 12, 2018

Attendance: Dave Brenner, Brandon Dougherty, Scott MacKenzie and Treasurer Curt Nass.

## Excused: Andrew Ritchie

Special Guests/Public Comments: David June of Highland Avenue raised the following concerns:

- Speed control/safety on Highland Avenue . The Commission will contact John Cartier about additional police surveillance.
- His vehicle was not broken into because it was unlocked, but was intruded upon at 5 am recently. NCC police were called, but he wanted residents to be aware that perpetrators are checking for open doors in vehicles.

Board of Adjustment: No report.

Planning Commission: Currently meeting, will report afterward.

**Treasurer and Tax Collector's Report:** Curt Nass presented the tax and treasurer's report of financial activity for the month ending October 31, 2018 (attached). Dave made a motion to approve the Treasurer and Tax Collector's report, seconded by Brandon, and approved by all.

President's Report: Dave reported the following activity:

- A complaint about trash collection being missed was forwarded to Waste Industries.
- There were several contacts about transfers of properties, outstanding taxes for settlements
- Gazebo power decided not to pursue because of expense.
- FOIA responses no activity
- Legislative Review the Commission received a letter from Seth Thompson, solicitor, addressing our question about Ordinance 89-1, Drainage, in which Seth recommended that the Town Commission repeal the ordinance, since the code requirements are already covered by New Castle County Code, and the right to sue for property damage is in Delaware Code. Repeal of ordinance 89-1, a public hearing will be held at 6 pm on Dec. 10. Brandon made a motion to approve up to \$200 for public notice in the News Journal, seconded by Dave, and approved unanimously. Scott will post in News Journal.
- Holiday Party Scott requested \$1,500 for food, entertainment, postcard and mailing. Brandon made a motion to approve \$1,500 for the Holiday Party, seconded by Dave, and all approved.

### **Correspondence:**

• Pipeline Safety brochure from Colonial Pipeline

### Public Comments: None.

### New Business:

- Small Business Saturday Scott said that Valerie White had requested support from the Town Commission for the Shoppes of Bellefonte's Small Business Saturday, to be held on the Saturday after Thanksgiving at all retail stores in Bellefonte. Brandon made a motion to reimburse Valerie for \$100 worth of Facebook advertising for the event.
- **Capital Improvement** Dave explained that the Town Hall water heater had been turned off while improvements were being made, and now it doesn't work. Dave made a motion to approve up to \$2,000 for a new water heater to be installed by Russo Brothers, seconded by Brandon and all approved. Dave will contact Steve Russo.

**Planning Commission** – Carol Dougherty reported that the Planning Commission is still working on revisions to the Comprehensive Plan. Scott MacKenzie asked if NCC and Wilmington had been sent the draft plan for review. He recommended that the draft be sent since their only interest would be the section about annexation.

Carol said that the Planning Commission had approved ZRB applications for 900 Prospect Avenue and 1208 Melrose Avenue, both for interior renovations. Both applications for garages have been postponed to gain more information from the applicants.
